

Pink meadow, light pastel orange prairie, an ice-skating hall, a scarlet horizon line, endless sea, blue and magenta sky, gray sesame ice cream, green sleeping pills, endless confusion and tiny misunderstandings.

Shrek and hulk and wonder woman and tom hardy and a box of Lindt pralines, full to the brim, and never-ending boredom, plus annoying parents.

Age gaps, generation names, peers and sneers, pressure and boredom.

Gulping; cracking jokes; Shrek and hulk are rude to wonder woman and to tom hardy. Never coming down, sex drugs and rock and roll.

Always swipe left, never swipe right, let them want you, suckers.
